Dear Mr. Marshall,

We have reviewed your letter to "Stakeholders" of September 30<sup>th</sup>, 2010 and have been moved to send a letter to the Premier of Ontario. Please find a copy of the letter enclosed.

We find ourselves, perhaps like other injured workers in the province, confused. The WCB/WSIB seems to have committed itself to a certain route to address the "unfunded liability" while at the same time commissioning a Funding Review. What hope is there of any serious consideration of the issues, if the Board already has its view and course set?

Yours Sincerely,  
THE BRIGHT LIGHTS INJURED WORKERS' GROUP
